Building a Christian Community

It is the intention of the SLPYC to create a Christian Community. The way we dress and act reflect the character of the Christian Community we are trying to build together. What we wear and how we act should not distract from the focus of the retreat, the building of a Christian Community, and most especially from God.

Please DON'T bring... We will all be expected to observe the rules of no drugs or alcohol, no smoking or smokeless tobacco, and no over-the-counter caffeine pills. Your willingness to help with this is much appreciated.
